We have had many requests from children and parents at the school, asking for a scooter and bike shed so children can store them in the morning. We are currently looking at budgets and some fundraising ideas but we were wondering if you could offer up any donations if possible?

We feel this would be really beneficial as more parents might walk to school with children. The struggle for them is then they have to cart the bikes/scooters home once they have dropped off which puts several parents off.

Any help would be greatly appreciated if possible.

# HALE PARISH COUNCIL

# DRAFT MINUTES OF THE ORDINARY MEETING OF HALE PARISH COUNCIL HELD AT HALE VILLAGE HALL ON MONDAY 21st OCTOBER 2024 AT 8.00pm

Present: Cllr Roberts, Cllr McNamara, Cllr Lewis, Cllr Healey, Cllr Trevaskis, Cllr Williams, Cllr Anderson, Cllr Wright

In attendance: The Clerk, and six members of public were also present

- 1. **Apologies** No apologies were received from Cllr Cleary.
- 2. Declarations of Interest No declarations of interest were registered
- 3 Public Participation A local resident expressed her concerns about what she believes is a substantial increase in night airport traffic at Liverpool John Lennon Airport (LJLA). She stated that since Jet 2 have been based at the airport night flights have increased massively and are causing major concerns for residents relating to their sleeping habits. The resident believes that Manchester airport and Heathrow airport have policies which discourage night flights and she asked whether Cllr McNamara who sits on the LJLA Consultative committee could make some enquiries and report back. Cllr McNamara stated that no such policy exists for Liverpool.

The resident informed the meeting that she currently holds possession of a noise pollution monitor which is in need of calibration to be used effectively. The Chair asked for the unit to be delivered to him for him to make enquiries about the accuracy of this old technology and suggested that it might be appropriate for the Parish Council to invest in a new unit.

Cllr Trevaskis advised that there is scope for the direction that aircrafts take off to be adjusted to account for the concerns of local residents but that wind direction and weather conditions need to be considered.

Cllr McNamara advised that in the last year there have only been 2 official complaints to LJLA about nigh flights and that an increase in registering concerns will be an effective course of action to take. He said he would establish where letters of concern should be sent and will publish it online and in the next PC newsletter. He also noted that Jet 2 have plans for two or three additional planes for 2025 and that a new operator who specialises in flights to Turkey will be based at LJLA next year.

The Chair advised that he would contact a local Ward Councillor to ask for assistance in lobbying LJLA and will ask for any existing noise pollution records. It is believed that a noise monitor is sited upon the roof of Hale Junior School.

A local resident asked whether the Parish Council could get assurances From Halton Borough Council that the Copper Beech tree opposite the Childe of Hale Pub will not be felled or damaged during the on-going building work taking place in the centre of the Village. He stated that he has asked a current ward Councillor from Birchfield to assist in achieving a favourable outcome.

Cllr Lewis announced to the meeting that the Knit & Natter group who hire the Village Hall weekly would like to produce knitted "Toppers" for local post boxes or appropriate village street furniture. The items will be tasteful and care will be taken to leave identification with the items to be able to contact owners.

Cllr Lewis notified the meeting that Hale Junior School have volunteered to stage a community "Litter Pick" around Hale Village on 10<sup>th</sup> December. They would like areas to be considered for their task to be noted and to be advised. They have asked for the Parish Council to support their efforts, to produce posters and to promote the event where possible.

A local resident requested that the Parish Council considers having regular dance's in the Village Hall.

A request for the Parish Council to contribute towards Rememberance Day commemorations was recorded and it was suggested that "Lorry Poppies" may be considered to display in the High Street. The Clerk will get costings and a decision to purchase can be taken under the Clerks delegated powers.

8. HR Advice – The merits of the options obtained by The Clerk were discussed and it was agreed that in principal the use of an external HR company would be a good idea, particularly as the newly updated employment laws warrant closer management of HR matters. The Chair asked that the clerk sets up 3 or 4 virtual meetings with prospective companies to give an opportunity for members to question them prior to engagement. It is felt that such a possible long term commitment needs careful consideration. Cllrs Trevaskis and McNamara asked for each company to identify the number of local government bodies they currently represent as it is a specialised area which needs a basic understanding of the requirements. Cllr Roberts proposed that a sub-committee be formed to examine the options and make a presentation in November.

Hi Brian and John,

We have had many requests from children and parents at the school, asking for a scooter and boke shed so children can store them in the morning. We are currently looking at budgets and some fundraising ideas but we were wondering if you could offer up any donations if possible?

We feel this would be really beneficial as more parents might walk to school with children. The struggle for them is then they have to cart the bikes/scooters home once they have dropped off which puts several parents off.

Any help would be greatly appreciated if possible.

Kindest regards,

Stuart Taylor

All correspondence must be sent through The Clerk who can be contacted by emailing <a href="mailto:clerk@haleparishcouncil.gov.uk">clerk@haleparishcouncil.gov.uk</a> or writing to The Clerk, Hale Parish Council, c/o Hale Village Hall, Hale Village, Halton L24 4AE

Please note that, in order for your complaint to be dealt with by Hale Parish Council, one of the following must apply.

- You believe a Parish Councillor has acted unlawfully whilst conducting Parish Council business. This procedure does NOT cover complaints regarding Hale Village Hall or its operational affairs. Hale Parish Council recommends that complaints regarding Hale Village Hall should be directed to the Police by the complainant.
- 2) You believe that Hale Parish Council has acted unlawfully whilst conducting its business. Any complaints must relate to procedural issues (e.g. Voting on non-agenda items) This procedure does not cover complaints from residents who disagree with a decision. In that instance, residents should voice concerns during public participation and before decisions are made.
- 3) You have a complaint about a matter that Hale Parish Council is responsible for.

Please note, due to the timings of Parish Council Meetings, your complaint may take up to 12 weeks to be dealt with by the Council. The full complaints procedure of Hale Parish Council can be found below. Assistance will be given to the claimant if necessary.

# 1. Introduction

- 1.1 This procedure covers routine complaints and those that could be described as habitual and vexatious. The majority of complaints generally fall under the first category and only occasionally move to the second option covered by paragraph 4 onwards.
- **1.2** Habitual or Vexatious complaints are defined here as unreasonable complaints, enquiries or outcomes that are repeatedly or obsessively persued.
- 1.3 Some types of complaint will be handled outside this procedure: Financial irregularity will be handled by the Council's own auditor/Audit commission; Criminal activity by the Police; Member conduct by the Standards committee of the relevant principle authority; Employee conduct by internal disciplinary procedure.

# 2. Complaints procedures for Local Councils

- **2.1** Councils will handle complaints in full Council or nominate councillors who are authorised to deal with complaints but are not involved with the particular case.
- **2.2** If councillors should not take part in the proceedings. They will then be available to handle any appeal, if required
- 2.3 The Clerk will normally represent the Council through the proceedings but a nominated councilor may act instead

# 3. The Procedure

# 3.1. Before the Meeting

- The complainant will complain in writing to the clerk or to the chairman of the council. Assistance will be given to the claimant if necessary.
- The complainant will be advised when the matter will be considered and whether it will be treated confidentially or heard by a committee. A copy of this procedure will also be given to the complainant.
- The complainant will be invited to attend a meeting with a representative if wished.

 Not later than seven clear working days prior to the meeting, the complainant and the council will exchange copies of any documentation or other evidence to be relied on.

# 3.2. At the Council Meeting or Committee Meeting

- The chairman of the meeting will introduce everyone and explain the procedure.
- The complainant (or representative) will outline the grounds for complaint before any questions from the clerk and then from members if present.
- The clerk will explain the council's position before any questions from the complainant, and from members if present.
- The complainant and the clerk will then summarise their position; they then leave the room while members decide whether or not the grounds for the complaint have been made.
- If the decision is unlikely to be finalised on that day an estimated date will be given.

# 3.3. After the Meeting

- The decision will be confirmed in writing within seven working days together with details of any action to be taken.
- The result of the proceedings will be reported at the next council meeting after the appeal period has passed, ensuring that agreed confidential issues are appropriately respected.

# 3.4. Appeals

- Should the complainant not agree with the decision they will be entitled to appeal the decision within fourteen days of receipt of the result of the proceedings.
- The councillors nominated to handle the appeal will, within twenty-one
  days of receiving the appeal, examine the way in which the council dealt
  with the complaint.
- If procedures were correctly handled by the council then the appellant will be notified that the appeal has not been successful. If the complaint was not handled correctly it will be referred back for consideration as

at 3.2.

- The appellant will be notified of the result of the appeals process within fourteen days.
- Should any resident or residents be unhappy with a decision made by the
  Parish Council it is suggested that they lobby their councillors and put
  forward a notice for requisition of a prior resolution (provided there are
  enough members who support the motion). The Clerk can circulate such
  complaints to members for consideration, however if no members are
  willing to support relitigating the matter then the matter should go no
  further.

# 4. Habitual and Vexatious Complaints

- **4.1.** Councils will endeavour to deal with complaints in an efficient, equitable and effective manner.
- **4.2.** The council may have to initiate further action, if the complainant behaves in ways which can: impede the investigation of the complaint; have significant resource implications; hinder the complaints service for others; be offensive, abusive or threatening.

#### 5. Aims of this Section

- **5.1.** The aim of the council is to manage each case properly, consistently, fairly and respectfully and ensure that the complaint, not the complainant, is the issue during any procedure and decision making.
- **5.2.** It is important to establish guidelines for identifying habitual or vexatious complainants and that any decisions made follow agreed guidelines and procedures.

# 6. Guidelines

- **6.1.** Councils will try to keep open the lines of communication with appropriate support e.g. clarifying the reason for the outcome; offering relevant support for a complainant with special needs; suggesting an independent representative to help present their case.
- **6.2.** Any action taken as a result of proven persistent and/or vexatious complaint will be proportionate to the degree of annoyance/aggravation caused.

# 7. Procedure

- **7.1.** The possibility of there being an unreasonably persistent and/or vexatious complaint will be brought to the attention of the chairman or vice chairman to ensure that the complaint has been dealt with according to the council's complaints procedure.
- **7.2.** The chairman or vice chairman will contact the complainant in an effort to resolve the situation.
- 7.3. In the case of a meeting, if there is a personality issue, the complainant may nominate another councilor who will be made aware of all the facts. A complainant may wish to bring a representative. The council will give appropriate support (e.g. special needs) to the complainant in choosing a representative etc.
- 7.4. The chairman/vice chairman will:
  - Listen to the grievance/complaint
  - Assure the complainant of confidentiality with personal details
  - Carefully explain what action the council has taken within its remit to resolve the complaint
  - Offer any relevant support about the complaints procedure to the Complainant
  - Suggest complaint routes available if complaint is outside the council's remit
  - Explain how the complainant's actions are of concern but are hampering the complaints procedure
  - Explain what actions the council may take
  - Seek an assurance that the persistent/unreasonable nature of complaint will be addressed
- **7.5.** The outcome and relevant details of the meeting will be noted.

#### 8. Decision

- **8.1.** If the complainant continues to behave in unreasonable and/or vexatious way, the chairman or vice chairman will seek the approval of the council to follow the policy and agree what action(s) to take, e.g. restrict or refuse any further contact.
- **8.2.** The complainant will be advised by letter from the clerk of this action, including any further actions the complainant may take with other bodies including their right to obtain independent advice.
- 8.3. The council will record the decision and hold all relevant correspondence except all personal details about the complaint and the complainant, which will be stored appropriately in line with the Data Protection Act.
- **8.4.** The clerk will notify all councillors and members of staff as appropriate.
- **8.5.** Any new complaint from any person who has come under the policy must be treated on its merit.

# 9. Review

**9.1.** The decision taken at Section 8 will be reviewed after 6 months. The complainant will be notified of the result if the decision to apply the policy has been reversed.

The Clerk has the ultimate authority to remove any material which the Council views to be derogatory, discriminatory, defamatory, offensive or which brings the Parish Council into disrepute.

# • High quality insurance

Our policy has been designed for Councils such as yours. We have over 20 years of experience working with Town, Parish and Community Councils and are the largest insurer of public services in the UK.

We are proposing Public Liability cover of £12 million for you.

Zurich are pleased to announce that **Key Personnel cover** is available as a paid for option to all Town, Parish and Community Council policies. Key Personnel insurance is designed to protect councils 24 hours a day, 7 days a week, in the event that an accident or assault renders a member of your team unable to work to their normal capacity. Your council could claim weekly benefits of up to £500 to assist with replacing staff or volunteers specified by you.

# Excellent service

We pride ourselves on providing swift, friendly service. Highlights of this service include: a dedicated Account Manager; no admin fees when you make a change to your policy; and free access to legal and counselling helplines. Our customer service currently scores 4.7 out of 5 on the independent rating site Feefo.

Should you need to make a claim, it will be managed by our dedicated team of claims specialists. They will work with you to settle the claim quickly and minimise disruption in the meantime. They manage claims ranging from the simplest accidental damage to the most complex legal cases, so whatever may happen, you will have experts on your side.

# A good price

We are proposing premiums shown in the table below

| LTA Term* | Price proposed (including all applicable taxes) |
|-----------|---|
| 1 Year    | £2,927.87                                       |
| 3 Year    | £2,651.88                                       |

<sup>\*</sup> You may choose to enter a Long Term Agreement with us, this would reduce the price of your policy over the life of the agreement in return for your commitment to stay with us. See Section 4 for details.

You will judge whether this is a good price. We hope that we will save you money, and that you can invest this saving into your core activities.

In addition to these benefits, if you buy this policy you will have bought from a company that makes a significant contribution to society: The Zurich Community Trust, a registered charity that is funded by corporate and employee donations, has given support to over 600 UK and overseas charities through grants and volunteering programmes.

# 2. Next steps

It is important that **you carefully read the attached document your "Local Council Policy Schedule"** and check that the facts we have about you are correct and that we have included all the covers that you want.

Please call us if you have any questions or need to make changes.

Once you are happy with the Schedule, all your organisation needs to do to purchase your policy is send us an acceptance email.

Doc. No. ZTN21031.2.3 Page **3** of 6

# 3. The cost of this policy

The cost of this policy is £2,927.87 (including taxes, based on a 1 year agreement).

This is made up of £2,614.17 for your policy, £313.70 Insurance Premium Tax (at the prevailing rate, which is levied on insurance policies) and £0.00 VAT.

This quotation is valid for 90 days from the quotation date shown on the front cover of this proposal.

# 4. Long Term Agreement

You may choose to set up a Long Term Agreement (LTA) with us. This means that you commit to keep your policy with us for the period of the LTA and in return you receive the discount detailed in the pricing table.

An LTA will also freeze the rates which we apply to your sums insured or indemnity levels in order to calculate your annual premium. So, if we raise rates during your LTA, the rise won't apply to your premium.

Please note, this doesn't mean that your premium will not rise over the period of the LTA. It would rise if:

- a) Your sums insured increase
   We will index-link your sums insured.
- Your levels of indemnity increase
   Again, this may be necessary to ensure that your policy is giving you the appropriate level of protection.
- Your claims history is poor
   If this did occur, you would have the option to exit the LTA.

The following lines of cover are not subject to LTA rate freezes: Engineering, Legal Expenses and Terrorism.

Do please contact us if you have any questions or would like to set up an LTA.

# 5. How we will support you

We will be available to support you throughout the year with activities such as:

- Insuring new projects and events which you may be considering
- Making changes to your policy
- De-mystifying the sometimes complicated language used in insurance documents

# Our approach to fees:

- We do not charge administrative fees or for providing duplicate documents.
- We will make no charge if you request changes or amendments to your policy that would cost less than £50.

# 6. How to purchase this policy

If you would like to buy this policy, all you need to do is call or send us an email confirming that you wish to go ahead.

We will then email you electronic copies of your policy documents, along with an invoice. Payment is due before your cover starts, or immediately if your cover is already in place. Failure to do so could result in your insurance being cancelled.

# 7. Conclusion

This proposal and the attached 'Local Council Policy Schedule' should clearly describe your insurance requirements and how we plan to meet them. If they do not, or if you have any questions, please contact me on or at james.stephens2@uk.zurich.com

We hope that a combination of our council expertise, the price offered, and the service we provide will convince you to place your insurance with us.

Good afternoon,

Further to your recent enquiry please find attached our quotation for your Council. We have obtained a quotation at a total premium of £2,603.42 inclusive of 12% insurance premium tax and our arrangement fee of £45.00. A 3-year Long Term Undertaking would reduce the annual premium to £2,489.04 including insurance premium tax.

We have established your needs as detailed on the enclosed **Local Councils Insurance Quotation Schedule** and **Statement of Fact**. Please check the statements and answers that are shown on these documents and let us know if anything is incorrect, as any inaccuracies or omissions may invalidate your cover. Should any alterations be required then please contact our Local Councils team on 0330 013 0036.

It is important that you check the levels of cover and sums insured noted on the enclosed documents are correct and reflective of current valuations, and that you are not under insured.

Here at Clear Councils Insurance, we structure our insurance policy as a 'package' providing a set minimum level of cover depending on your population size. We do this to try and ensure that Councils have adequate cover and don't have to tell us every time there is a change to a sum insured, as long as it is within the cover limit, saving you time on administration.

- Contents
- Street Furniture
- Walls, Gates and Fences
- Playground Equipment
- War Memorials
- Mowers and Machinery
- Sports Equipment

We can increase your cover at any time beyond these minimum policy limits if they are not adequate for your Council's needs. However, we cannot reduce or remove these sections individually.

#### Parish Online - Free Subscription with Clear Councils Insurance

Clear Councils are offering a free 12-month subscription to new customers to Parish Online as part of their insurance package to all Councils who place a new Local Councils insurance policy with them. If you are an existing customer of Parish Online, Clear Councils will subsidise over half of your existing subscription cost; please note terms and conditions may apply.

Hi Brian

I have been speaking to Mike Wharton who gave me your email address. I'm hoping to set up a Well-Being Hub in the Village Hall due to the lack of mental health services in the area.

This would be a non-profit service, running every other week for 2 hours. As it would be benefitting the community and those in need I was wondering if we could potentially have a reduced fee?

Many Thanks Miss Shirley Bingham

# To whom it may concern

This is regarding cars parking and blocking both sides the pavement outside of the hall. After witnessing people having to walk in the road because the pavement is blocked and witnessing a lady pushing someone in a wheelchair and parents with children in prams again having to walk in the road this could be a potential hazard.

Speaking to neighbours they agreed and said it was becoming annoying and a hazard especially through the week and weekends, with the cars double parked on both sides of the pavement this is causing build ups off traffic trying to get though.

Dear Brian

regards

The NJC has now agreed the local council pay award for 2024/25, I am attaching a copy of the pay award for you. We do not automatically apply the pay awards as not all councils follow suit and some prefer to get authorisation at a council meeting first.

We are due to process your November payroll through next week, the intention is to process this towards the end of the week unless you contact me before. If we do not hear from you by Thursday 14<sup>th</sup> November, your payroll will be processed without the pay award.

If your contract allows for the pay award to be automatically processed, can you email me to confirm, or if you would prefer us to delay processing your November payroll to allow for approval then let me know and I will make a note to delay your payroll.

If you won't be receiving the pay award or want to delay the pay award until next month then also let me know so we can process your payroll through as normal.
